SUBJECT: RESOURCES TO ASSIST CUSTOMERS WHO ARE DISABLED

This transmits Employment Development Department (EDD) Field Office Directive (FOD) Number 99*152. This directive provides resources to assist customers who are disabled as defined by Title II of the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act.

Enacted on July 26, 1990, the ADA gives civil rights protection guaranteeing equal opportunity for individuals with disabilities in public accommodations, employment, transportation, state and local government services, and telecommunications. Section 504 of the Rehabilitation Act of 1973, only covers programs receiving federal financial assistance. Title II of the ADA extends to all activities of state and local governments whether or not they receive federal funds.

This FOD explains the requirements for accommodation, describes various types of accommodations that may be necessary, and provides information on how accommodations can be provided by existing and/or future entities administering EDD programs including the Job Training Partnership Act and Workforce Investment Act. The FOD also includes pertinent information to entities administering the Welfare-to-Work Grant.
